

Brethren;

As we start a new month, I want to inform you of our upcoming events scheduled during the month of May 2011.

- **Wednesday, May 4th** - Floor practice. We will start as members arrive after 5:00 pm. We will focus on conferring a Fellow Craft degree. Leave as you need to. We have floor practice every Wednesday.
- **Friday, May 6th** – Called meeting for conferring a Fellow Craft degree. We will open the Lodge for this purpose at 7:00 p.m.
- **Tuesday, May 17th** – Stated meeting. Dinner at 6:00 and will open a Master Mason Lodge at 7:00 p.m.
- **Saturday, May 21st** – Open public function for the purpose of presenting the Lamar Awards and Scholarships to two students of Harlandale High School. The time is currently set for 2:00 p.m. with refreshments at 6:00 p.m. We will have the students, their family members and friends coming. We are also expecting Harlandale High School counselors and other important members of the Harlandale School District. You are urged to attend. There will most probably be good words among our community about this event
- **Wednesday, June 1st** – Harlandale Lodge will be the site for the Amistad Chapter (OES) officer's installation. The use of our Lodge for this event was approved by members of Harlandale several months ago. I will communicate the exact time soon. Those who would like to attend and support the Chapter I am sure you will be well received.

That is all I have for now. I am hoping that we have good participation to these events from the Brethren of Harlandale Lodge and others. Please mark your calendars and spread then news as I am still updating my address directory and missing many or have not added what I have written. If you have any questions or concerns, please send me an email or call me.

Fraternally submitted;

William "Bill" Nanes
Harlandale Lodge #1213
